

WAM Inc.

Location: Saskatoon, Saskatchewan

Financing: \$22,000

Description: This project aims to create an urban agriculture co-operative to provide sustainably produced goods and consulting services. Studies to determine the most viable economic business venture for the proposed co-op, as well as a business model and implementation plan are underway.

Thickwood Hills Business & Learning Network (for the Riverside Market Garden Working Group)

Location: Hafford, Saskatchewan

Financing: \$43,000

Description: A worker co-op on the Flying Dust First Nation will be established to expand an existing market garden enterprise, establish a greenhouse and develop other enterprises.

Whitefish Opportunities Worker Co-operative Ltd

Location: Debde, Saskatchewan

Financing: \$40,000

Description: This worker co-operative will create jobs by developing businesses that will provide employment for members of its community and at the same time increase access to goods and services not available on the Big River First Nation reserve. It will prepare a feasibility study and business plan for each of the new enterprises.
