

### **Coopérative de solidarité en recyclage et en intégration à l'emploi Ltée**

Location: Shippagan, New Brunswick

Financing: \$49,000

Description: Establishes a co-operative that will ease the work integration of people with disabilities in addition to running a garbage sorting centre.

### **Lotus Co-operative**

Location: Moncton, New Brunswick

Financing: \$29,000

Description: Sets up and strengthens a new co-operative market place that will support the employment of local producers in rural and urban communities in southern New Brunswick.

### **Coopérative d'énergie renouvelable du Nord-Ouest Ltée**

Location: St-Basile, New Brunswick

Financing: \$95,750

Description: Studies and consultations will be carried out towards setting up a 15 megawatt wind farm in north-western New Brunswick.

### **Ville de Lamèque**

Location: Lamèque, New Brunswick

Financing: \$20,500

Description: A co-operative will be created to support Acadian arts and culture. The objective is to promote arts and give local artists a platform to build their expertise.

### **Sun Farm Kitchens Co-operative**

Location: Moncton, New Brunswick

Financing: \$25,000

Description: The co-operative will expand its market in nutritious, local foods with the use of a solar-powered kitchen trailer.

**Association des producteurs de bleuets sauvages du Nord-Est du Nouveau-Brunswick [Northeastern New Brunswick Wild Blueberry Producers Association]**

Location: Paquetville, New Brunswick

Financing: \$32,000

Description: The co-operative will develop the business plan for a new pollination service and recruit enough new members to reach the minimum-use threshold of 1,000 hives.
